

# B1F Reinforced Kraft Union Liner

## Product Description

Traditional reinforced kraft paper which has been laminated with bitumen. Manufactured using high quality kraft paper and meeting the technical requirements of BS 1521 (Class B with reinforcement) for waterproof building papers, Novia® B1F Reinforced Kraft Union Liner has a polymer reinforcement scrim running throughout the bitumen core of the material. Novia® B1F Reinforced Kraft Union Liner meets the specification of the BS 1521, class B1F, making it suitable for a wide range of temporary applications.

Novia® B1F Reinforced Kraft Union Liner is not suitable for permanent installations where it is required to perform any task on an ongoing basis. For permanent applications alternative materials such as Novia® A1F or Novia® Polybit building paper are available. BS1521 is a technical standard, not an application or product standard, and therefore the end user is responsible for determining the suitability for any given application.
