

# Floorguard

## Product Description

Basic low-cost recycled cardboard suitable for all general temporary protection applications. The product is slip-resistant and can be quickly and easily cut to fit any awkward shapes found on site. Protecting heavily trafficked areas, new surfaces and finishes during construction, is a vital part of ensuring a project is delivered on time and budget. Novia® Floorguard is a basic low-cost recycled grey cardboard suitable for all general temporary protection applications.

## Features

- Recyclable
- Made from recycled content
- Slip resistant

## Typical Applications

- Temporary protection

	Value
Standard Width	1000mm
Roll Length	50m
Roll Weight	12.5kg
